PRODUCTION NOTES — "YOUR MONEY STORY"

"You picked this idea. How do you know somebody actually wants it?"

- CASH, GRADE 3

Episode: ML EP12 — Capstone **Runtime:** 3:00 **Pipeline:** Midjourney (plates) ›› ElevenLabs (voice) ›› Hedra Character-3 (lipsync) ›› Kling Multi-Shot web (motion) ›› Suno (music) ›› ffmpeg (assemble) **Brand band:** K-2 / 3-5 hybrid (CashQuest Kids ages 6–10) **Brand stamp:** "Tool up. Quest unlocked."

1. HOOK STRATEGY

Cold open beat (first 3 seconds): A blank lined notebook page. A pencil rolls across and stops at the spine. SFX: soft pencil-roll on paper. Cash drops into frame and lands gently next to the pencil.

Why this hook works for ages 6–10 + capstone framing: A blank page invites kids to project themselves into the episode. It signals "this is the one where YOU build it." The pencil arriving on its own is a tiny visual gag that reads as "the page is ready for you."

First Cash line by second 5: "Notice with me. One blank page." — sets the capstone task in 7 words.

2. B-ROLL SUGGESTIONS

BEAT	B-ROLL PLATE
0:00–0:05	Blank notebook + pencil rolls in. Cash drops in.
0:06–0:18	Notebook tilt + title card: YOUR MONEY STORY.
0:19–0:40	Eleven episode icons flash across the screen (one per past episode, in order).
0:41–1:00	The four friends enter one at a time: Penny (jars), Buck (pause), Giver (sharing bag), Kenji (planner).
1:01–1:35	The five-line plan template fills the screen.
1:36–2:30	Mia (a pretend kid) fills in each line one at a time: GOAL → EARN → WHERE → WAIT → SHARE. PRETEND label glows.
2:31–2:45	Four friends each hold up their own one-page plan, slightly different goals.
2:46–2:55	Eraser nudge — the "plans change" beat.
2:56–3:00	CTA poster + four friends wave + 12 episode icons line up at bottom (the new one slides in last).

3. MUSIC VIBE (SUNO)

Prompt brief: Capstone year-end track. Warm, slightly fuller than other episodes, but still restrained. Acoustic guitar fingerpicking + soft strings + light kick. Major key. 92 BPM. No vocals. A subtle build at 1:00 when the five-line template appears. A held note at 2:55 as the four friends hold up their plans. End with a long, gentle bell.

Suno tags: `acoustic`, `kids`, `warm`, `capstone`, `picturebook score`, `gentle build`, `92bpm`, `no vocals`, `instrumental`.

Mix notes: This is the year-end episode — slightly fuller score than EP01–EP11 but still under Cash voice. Music ducks at 2:00 ("not about being rich. It is about being clear") so the line lands without competition. Long bell at 3:00 — the only musical "stamp" in the year that's allowed to ring out.

4. END-CARD CTA

On-screen text: "Get one piece of paper. Write the five lines. Fill them in with pretend numbers. Show a grown-up."

Tagline lockup: CashQuest Kids logo + "Tool up." + small line below: "Money Smarts — 12 of 12. Quest unlocked." Soft chime + long warm bell. 1.5 seconds.

Parent/teacher prompt (caption + community tab + pinned-comment): "Tonight: ask your kid to read you the five lines they wrote. Listen. Don't fix. The plan is theirs."

Email-list trigger: "QUEST UNLOCKED" segment — at upload, tag every viewer who completes EP12 (via end-screen) into the "ML graduate" segment. Next-tract CTA goes here (Investor Lab EP01, when ready).

5. SHORTS CUT POINTS (9-SECOND VERTICAL)

TIME	BEAT	CAPTION
0:00	Blank notebook + pencil rolls	"Your money story."
0:02	Eleven icons flash → 12th icon slides in	"12 episodes. 1 plan."
0:04	Five-line template fills	"Goal. Earn. Where. Wait. Share."
0:07	Four friends hold up plans	"Five answers. One page. Yours."
0:08	End card	"WRITE YOUR FIVE LINES." + logo + Tool up. Quest unlocked.

Vertical crop spec: 1080×1920. The "Goal. Earn. Where. Wait. Share." caption at 0:04 is the shareable beat — keep it on screen until 0:07.

7. ELEVENLABS VOICE IDS

CHARACTER	VOICE	ELEVENLABS ID	SETTINGS
Cash	Bill	`pqHfZKP75CvOlQylNhV4`	model `eleven_multilingual_v2`, stability 0.55, similarity 0.85, style 0.30
Penny	(kid voice — locked from EP03/ EP05)	`PENNY_VOICE`	stability 0.50, similarity 0.80, style 0.40
Buck	(kid voice — locked from EP04/ EP06)	`BUCK_VOICE`	stability 0.45, similarity 0.80, style 0.55
Giver	(kid voice — locked from EP07)	`GIVER_VOICE`	stability 0.55, similarity 0.85, style 0.35
Kenji	(kid voice — locked from EP08)	`KENJI_VOICE`	stability 0.50, similarity 0.80, style 0.40

Render order: Cash first, then four kids in script order (Penny → Buck → Giver → Kenji). Cash's capstone line "A money story is not about being rich. It is about being clear." — request 3 takes; pick the slowest, most settled delivery. This is the year's anchor line.

8. HEDRA CHARACTER-3 LIPSYNC TARGETS

Model: `d1dd37a3-e39a-4854-a298-6510289f9cf2`.

Each character's master plate + matching WAV → Hedra render at vertical (1080×1920) and horizontal (1920×1080).

Special note: the "four friends in a row" composite shot (cu03 + cu06) requires four-character-frame Hedra renders — render each kid against a transparent background separately, then composite in ffmpeg. Do NOT try to lipsync a four-character composite in a single Hedra pass.

QA gate: No character's lipsync may run more than 1 frame off audio. Cash's "clear" word in the anchor line must hit exactly on the music duck.

9. KLING MOTION CLIP PLAN

CLIP	SOURCE PLATE	MOTION BRIEF	LENGTH
cu01	Blank page + pencil	"Pencil rolls in, comes to rest at spine; Cash drops in from above and lands gently."	5 sec
cu02	Eleven-icon row	"Icons flash one at a time in fast sequence (left to right), all eleven lit by 0:18."	12 sec
cu03	Four friends arrive	"Each friend slides in from a different direction: Penny left, Buck right, Giver from above, Kenji walks in from below frame."	8 sec
cu04	Five-line template	"Lines write themselves in chunky handwriting one at a time (1, 2, 3, 4, 5), each accompanied by a small icon pop."	10 sec
cu05	Mia fills in	"Mia's crayon moves across each of five lines in sequence, words appear letter by letter; PRETEND label pulses softly."	30 sec
cu06	Four plans different	"Each friend raises their plan one at a time; small caption labels their goal (paints, slime, gift, books)."	8 sec
cu07	Eraser + 12 icons	"Eraser nudges one line, line rewrites; cut to icon row; 12th icon slides in from right."	10 sec

Total motion: ~83 seconds of Kling — heaviest of the three episodes (capstone deserves it). Rest covered by static + Hedra.

10. FFMPEG STITCH BEAT SHEET

1:00–1:30   cu04 (five-line template writes itself) — Cash voice
1:30–2:25   cu05 (Mia fills in five lines, one at a time) — Cash voice over
2:25–2:45   cu06 (four plans different) — Kenji line + Cash line

2:55–3:00   cu07 part 2 (12-icon row + 12th slides in) + CTA + four-friends wave
3:00–3:01   brand stamp (CQK logo + Tool up + Quest unlocked)
```

Audio bus: - T1 Cash, T2 Penny, T3 Buck, T4 Giver, T5 Kenji, T6 Suno bed, T7 SFX (pencil roll, soft chord, long bell). - Anchor-line treatment: at "A money story is not about being rich. It is about being clear" (around 2:35), drop Suno from –18 LUFS to –32 LUFS for 4 seconds, then restore. - Master: –16 LUFS long; –14 LUFS Shorts.

11. CAPSTONE-ONLY PRODUCTION NOTES

- **Reuse continuity.** Re-import the master MJ plates of Penny, Buck, Giver, Kenji from EP03–EP08. Do NOT regenerate. Continuity is the capstone payoff.
- **Eleven-icon recap.** Pull a tiny version of each prior episode's hero icon (already designed for the episode end cards EP01–EP11). Line them up. The 12th icon — the one-page plan — is the only new icon designed for this episode.
- **PRETEND label.** Glows during the entire Mia-fills-in sequence (1:30–2:25). This is the longest sustained PRETEND label of any CashQuest Kids episode.
- **Quote graphic for social.** Pull the Cash anchor line as a standalone share graphic: "A money story is not about being rich. It is about being clear." Use CashQuest Kids Inter SemiBold on deep navy `#0E1B2C` with gold accent `#F4C04A`.

12. SENSITIVITY GATES

- [ ] PRETEND label glows during the entire fill-in sequence (non-negotiable).
- [ ] No real brand names. No real bank names.
- [ ] No real adults' faces in close-up. "Show a grown-up" is the prompt; grown-ups appear only as silhouettes when needed.
- [ ] No "free" framing about CashQuest Kids itself.
- [ ] No promise that the one-page plan will make a kid rich. Cash explicitly says: "not about being rich. It is about being clear."
- [ ] No banned phrases.
- [ ] Runtime ≤ 3:00 (lands at 3:00 + 1.5 sec brand stamp).
- [ ] All four kid characters keep their EP03–EP08 voice and look continuity.
