GRADE 3

Curriculum Book

Business ideas come from skills, hobbies, and needs

What I can do, what I love, and what I notice - that's where ideas live.

Cross-script (3-5): *"Quick story" opener · Two-Finger Tap · concrete kid in motion by 0:08 · Cash fumble in V4 · CTA names a day. Length 2:30–3:00. Captions on. Music light underscore.*

FROM CASH

What I do, what I love, what I notice

Three questions. Three sentences. Three ideas. That's how a business starts - not with a logo, with a list.

KEEP IT REAL

Real customers. Real money. Real lessons.

Every page in this book points back to one habit: ask a real person, listen to the real answer, count the real numbers. The rest is decoration.
